

**SAFETY IN  
CONVOY**

**OFF-ROAD  
DRIVING**

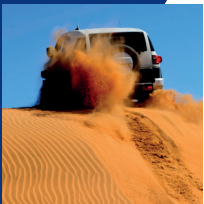

Depending on the scope of your work and travels, you will be confronted with diverse environments (off-road terrain, riots, crowds, check point). This training aims to teach driving adaptability skills (defensive and Off-road) and develop an adequate reaction response.

# TRAINING SCHEDULE

## Safety during vehicle movement

- Acquisition of a state of mind and good overall preparation before field deployment.
